About Us :

IIF Chennai

Message : Organizing Committee Chairman

The Institute of Indian Foundrymen was set up in 1950 to promote education, research, training and development to Indian foundrymen and to serve as a nodal point of reference between the customers and suppliers of the Indian foundry industry on a global scale

With its Head Quarter in Kolkata, IIF presently services the entire country through its 26 Chapters under four Regional Offices located at Kolkata, Delhi, Mumbai & Chennai. The Institute is a member of the World Foundrymen Organisation (WFO) and Confederation of Indian Industry (CII)

Chennai Chapter is the one of the most dynamic and vibrant chapter. With its vision of “Dissemination of Knowledge”, constantly pursued by conducting various technical programs, seminars, competitions and works visit.

The VII Aluminum Conclave of the IIF, Chennai Chapter with the Theme **“Green Metal for the Future”** - will be held from 27th to 29th April 2017

This event takes place in multiple locations of Chennai, for three consecutive days.

Eminent speakers, technologists, industrial leaders, big players from equipment & service providers of the industry are converging on a common platform to give their insight, share their knowledge & experience, to take the industry into the future.

This teaser is to keep you posted on the host of events which are going to take place, and prepare you for participation.
