

IIF NAGPUR CHAPTER

**ANNUAL REPORT
(2025-2026)**

**PREPARED BY-
MANSI BHATT**

**APPROVED BY-
NIKHIL SHARMA**

ANNUAL GENERAL MEETING (AGM)

The **Annual General Meeting (AGM)** of the **IIF Nagpur Chapter** was successfully held at the prestigious **Radisson Blu Hotel, Nagpur** on **24th August, 2025** serving as a significant platform to review the **chapter's annual performance** and outline its **future direction**.

A key highlight of the AGM was the appointment of **Mr. Sushil Sharma as the National President of the IIF**, marking a new phase of leadership and vision for the organization.

The meeting was further honored by the gracious presence of the **Chief Guest**, Honourable **Shri Nitin Gadkari Ji**, whose inspiring address added immense value to the occasion. In his speech, Shri Gadkari emphasized the importance of **industrial growth, infrastructure development, and adoption of advanced technologies** to strengthen the foundry and manufacturing sectors.

During the AGM, the following key agenda items were undertaken:

- Presentation and approval of the Annual Report
- Adoption of the **Audited Financial Statements**
- Review of chapter activities and achievements
- Discussion on **future plans and strategic initiatives**

The AGM also provided an opportunity for members to actively participate, share their insights, and contribute valuable suggestions for the continued growth of the chapter.

The enthusiastic involvement reflected the strong commitment of members towards the **advancement of the foundry industry.**

The meeting concluded on a positive and forward-looking note, with a **renewed focus on growth, collaboration, and strengthening industry engagement** under the leadership of the newly appointed **President, Mr. Sushil Sharma.**

URJA SANCHAY(ENERGY CONSERVATION). PROJECT:

The **IIF Nagpur Chapter** organized a comprehensive “**Urja Sanchay**” (**Energy Conservation**) Meeting in October 2025 under the guidance of **Mr. Anant Bam Sir**, aimed at **promoting energy efficiency, cost optimization, and sustainable practices** in the foundry industry.

Mr. Bam delivered an insightful session emphasizing the importance of:

- **Energy-efficient** technologies
- **Optimizing energy consumption** without impacting productivity
- **Monitoring and benchmarking energy usage**
- Implementing best practices through **real industry case studies**

He highlighted that energy cost is a major component in foundry operations, and effective energy management can significantly improve profitability and operational efficiency.

Industrial Visits (9th, 10th and 11th October 2025)

As part of the initiative, a series of industrial visits were conducted on **9th, 10th and 11th October 2025**, providing **practical exposure** to participants on **real-time energy-efficient practices** and advanced foundry operations.

17 JUL **9th October, 2025**

- Jayaswal Neco Industries Ltd – ACD 1
- Jayaswal Neco Industries Ltd – ACD 2

17 JUL **10th October, 2025**

- Neco Heavy Engineering & Castings Ltd
- Tirth Alloys Pvt. Ltd

17 JUL **11th October, 2025**

- Jayaswal Neco Industries Ltd – CD F-8 Unit
- Jayaswal Neco Industries Ltd – ECD Division

During these visits, participants observed:

- Advanced production processes and plant operations
- Implementation of energy-saving techniques
- **Modern machinery** and technology adoption
- Quality control and operational best practices

The visits effectively complemented the Urja Sanchay session by **bridging the gap** between **theoretical knowledge and practical industrial applications**.
